Hi Marion,

If you are presenting/sharing the table with Marietta today, go ahead and remove the "Section 18" from the header. I just got a message back from Will that he just got a little confused and will remove it moving forward.

Thanks!  
Debra

Debra –

In the first chart attached (actually all of the charts),

**Ex. 5 Deliberative Process (DP)**

**Ex. 5 Deliberative Process (DP)** Also, not sure why "Section 18" is mentioned in the title; perhaps, a carryover from a previous chart. Any quick thoughts?

Hi Debra and Marion,

I have completed the runs we discussed yesterday and have included the results table in the attachment. Please let me know if this covers what you were expecting. Thanks,
